Green Bay, Wisconsin
Green Bay will leave you in awe once you have toured this terrific Midwest community, right on the water. Situated the shores of Green Bay which empties into Lake Michigan, Green Bay with its population of over 230,000 residents offers the beauty of a gorgeous lakefront setting – not to mention the riverfront with the beautiful Fox River flowing through the middle of the city. You will find upscale amenities found in major metro areas, not to mention stunning views of the four seasons, rolling topography, and gorgeous trees. And did we mention professional football with the Green Bay Packers? Milwaukee is only two hours away, scenic Door County is only an hour, Madison is only two-and-a-half hours, and Chicago is three-and-a-half hours!
