• Rapidly growing collaborative program with interventional and noninvasive cardiologists, cardiac and vascular surgeons, electrophysiologists and interventional radiologists
• Single hospital with strong hospitalist and intensivist programs
• Favorable call schedule
• Fully implemented EPIC EMR system-wide
• New nine-story state-of-the-art facility dedicated to cardiovascular services

Quality-focused, high volume diagnostic services

• Nationally accredited programs in ECHO and vascular ultrasound
• Cardiologist-directed nuclear cardiology program
• Advanced programs in cardiovascular CT and MRI

Research opportunities, if desired

• Centralized research department
• Collaboration opportunities with the University of Illinois
• Strong translational research program

Academic opportunities

• Carle and the University of Illinois at Urbana-Champaign are partnering to establish the nation’s first college of medicine focused, from the beginning, on the intersection of engineering and medicine

Globally connected, innovative and culturally rich, Champaign-Urbana has a population of 195,000 and is home to one of the world’s great public research universities - the Big Ten University of Illinois. With ease of transportation, excellent schools and affordable housing options, our community features the friendliness and advantages of a smaller town while offering the dining, arts, sports, and entertainment options found in a much larger city. Champaign-Urbana is located two hours from Chicago and Indianapolis, and three hours from St. Louis.

This opportunity does not qualify for visa waivers.
